
The AHA Council has [refused to place on the agenda of the January 10, 2026 Business Meeting our *Resolution in Solidarity with Gaza* and our *Resolution Opposing Attacks on Core Principles of Education*](#), despite being initially told that they met all of the conditions specified in the Association's bylaws.

HPAD, as well as the Palestinian Historians Group and Historians for Palestine, plan to challenge the Council's undemocratic actions at the business meeting on January 10, at 5:15 pm.

If you are planning to attend the AHA conference in Chicago, we urge you to come to the business meeting and support our challenge. **We need the largest possible turn-out of supporters at the Business Meeting.**
